Breastfeeding
Consultancy Partnership

Breastfeeding is
the natural way
to feed a baby,
however it is a
learned skill.

We are here to help!

Help is a phone call away
Telephone: 07725 654 119

Are you pregnant and want to ensure the best possible chances of successful breastfeeding?

Would you like to feel secure in the knowledge that you have a breastfeeding specialist visiting you at home, following the birth of your baby?

Suffering with painful breastfeeding?

Concerns over baby's weight gain?

Worried about sufficient milk supply, poor quality and/or an unhappy baby?

Breasts engorged painful and having difficulty latching baby onto the breast?

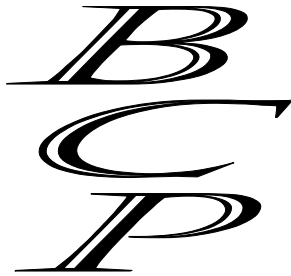

Does the baby refuse the breast?

Prone to engorgement or mastitis?

Had a premature baby or a baby in Neonatal Intensive Care?

Janet Everest RN RM IBCLC
Midwife and Lactation Consultant

Dawn Holwell RN RM MSc (Dist)
Midwife and Breastfeeding Specialist.

As a team of health professionals we all have specialist training in breastfeeding and lactation. We are in position to help you with all your breastfeeding requirements whether it be antenatal preparation, help in the early postnatal days or dealing with a breastfeeding problem.

We are all committed to ensuring that women who have made the choice to breastfeed their babies are given the best possible information to enable them to do so.
